MARINE SURVEYING SERVICES

Marine Consultancy

AMS offers expert advice to determine which boat is right for you.

General Condition Assessment (GCA)

AMS can provide an independent "Walk through" assessment to establish the true condition of a vessel "Through Marine Surveyor's eyes", prior to you making an offer and signing a contract to purchase it.

Pre-purchase Survey

Our certified surveyor will examine the vessel in detail to identify any deficiencies. You can then make an informed decision about the purchase and/or price.

Specialist Surveys

This inspection introduces specialized engineers and technicians to assess the condition of specific systems aboard and should be considered by buyers of high tech or sophisticated vessels.

Follow up Survey

We can make certain that work agreed to in the sales contract has been completed to a satisfactory level.

MARINE SURVEYING SERVICES

Insurance Survey

This is required by insurance companies to gain and maintain vessel insurance.

Valuation Appraisal

Need to know the value of a vessel? Have AMS conduct a valuation appraisal in order to establish the vessel's fair market value.

Cook Island Yacht Registration & Renewals

Have our approved surveyor assist you with Cook Island Yacht Registration & Renewals.

Damage Survey

Accidents can happen. Have AMS assess the damage, advise on repairs and if required, oversee completion.

Damage/Loss Investigation

Appointed by the Underwriter, AMS investigates insurance claims in order to establish the cause and extent of the claimed damage and or loss.

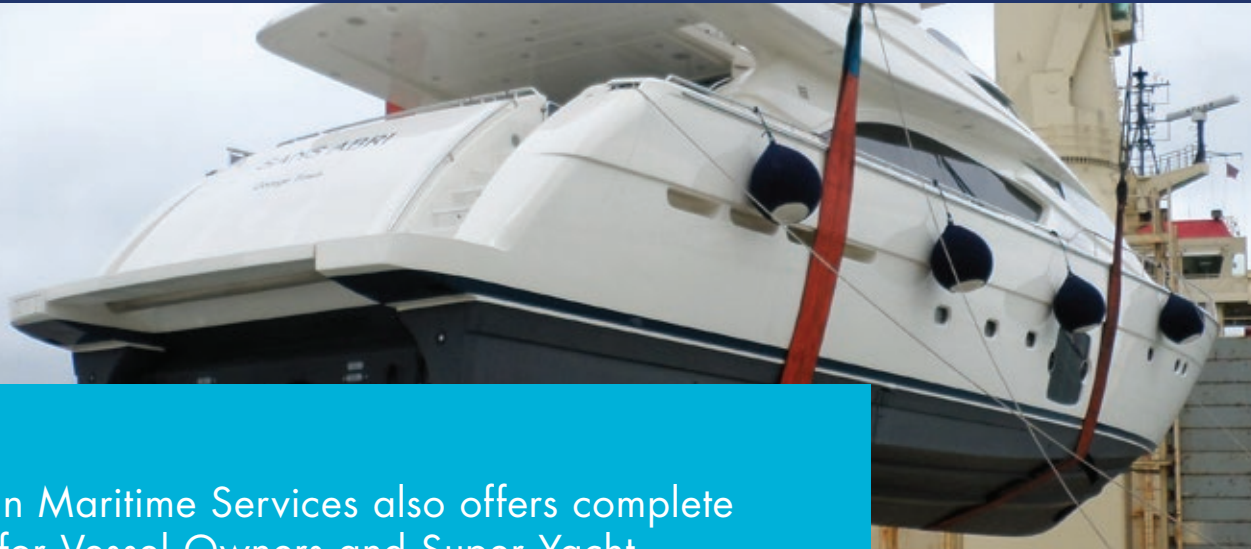

Rust Seeker

Don't wait until it is too late.

Have AMS measure the electrochemical potential of your vessel to establish if it is adequately protected against galvanic and stray-current corrosion.

NEED A MARINE SURVEYOR?

A Marine Surveyor is a fact-finder hired to go over a boat with a fine-tooth comb, find out what's ship-shape and what's not, and through careful inspection, help the client make an informed decision about any potential investment in the boat.

Anthony Gates

As Principle Surveyor of Andaman Maritime Services, Anthony provides clear, concise and practical information to the client in order for them to make an informed decision about their investment in a vessel.
