COMPANY OVERVIEW

Established in 2013 and based in Phuket, **Andaman Marine Surveyors (AMS)** is an independent yacht surveying and marine consultancy company. We provide professional, impartial and technical expertise to yacht owners, buyers, insurers, manufacturers and marine professionals throughout the Asia Pacific region.

Led by Managing Director and Principal Surveyor, Captain Anthony Gates, AMS has conducted 700+ surveys and inspected more than 1,300 yachts, from small craft to 70-metre superyachts, with a proven track record of delivering accurate, detailed and commercially focused reports.
